IN CELEBRATING 40 YEARS OF COURAGE AND LEADERSHIP IN HUMAN RIGHTS

The **Washington Office on Latin America (WOLA)** is a leading voice in Washington, DC advancing human rights and ending violence for more just societies in the Americas.

Last year, the WOLA Human Rights Awards Ceremony and Benefit Gala was attended by over 320 guests, including members of Congress, senior administration officials from USAID and the Department of State, and leaders in the business, nonprofit, and labor sectors. The WOLA Human Rights Awards are covered annually by many news outlets throughout the region, and the Ceremony and Benefit Gala was covered last year by Washington Life Magazine.

As an event sponsor, you not only celebrate the brave leaders being honored that evening, you invest in WOLA's critical work. Through your sponsorship you show your own support for WOLA's vision—a future where human rights and social justice are the foundation of public policy.
